

City of West Monroe
PROCESS TO OBTAIN A
CERTIFICATE OF OCCUPANCY "CO"

A Certificate of Occupancy is required any time a new business opens, there is an ownership change of an existing business or an existing business relocates or changes names. This insures that the property is properly zoned for the type of business that will locate there and to insure the building is safe to occupy.

THREE (3) PARTS:

The fee is \$25 (Twenty Five Dollars)

- **ZONING** – Verify zoning with Building & Development Director at 318-397-6722. Please note: if your business is located in a West Monroe Historic District, you will be required to obtain a Certificate of Appropriateness for ANY exterior changes (See Adrienne LaFrance, Downtown Manager, 318-397-6735 and/or Jonathan Kaufman 318-397-6720).
- **BUILDING** – Set up an Inspection with the Building & Development Office when the application is submitted. Once inspected, the permit can be released by the City to ENTERGY if inspection is approved – YOU are responsible for setting up your account with ENTERGY (1-800 ENTERGY). Please allow up to 24 hours for ENTERGY to receive and process the permit.

When the electricity is on:

- **FIRE DEPARTMENT** – Call Fire Prevention Officers: Jake Stephens at 318-397-6867 or Charles Hughhins at 318-397-6831, to set up a "C" "O" Inspection with the West Monroe Fire Department. The main number to the West Monroe Fire Department is 318-397-0758.

Once the Zoning Director, Building Official, and Fire Prevention Officer have approved, the information will be sent to the Occupational Licensing Department.

Be sure to complete all necessary paperwork with Lois McCarty in the Occupational Licensing Department in order to obtain an Occupational License.

She can be reached at 318-397-6706 or 318-396-2600.

(FEE Involved, contact her for specifics).

FAILURE by an applicant to request all required inspections within thirty (30) days of application shall cause expiration of the original request, termination of electrical service, required reapplication for a Certificate of Occupancy, and payment of an additional fee, with new inspections conducted. Ordinance Sec. 12-4012(c).
